

Accomplish more everyday with Sage ACT! 2012

Trade your pen/paper to-do lists for Sage ACT! Scratchpad¹

A convenient, virtual notepad where you can quickly capture impromptu notes, phone numbers, and personal reminders. Send items to Sage ACT! as activities, notes, and history—even assign them to contacts!

Work seamlessly with Google® Apps

Keep all or just a subset of your emails, contacts, and activities updated in both places when you sync Sage ACT! with Google.

- ✓ Gmail®
- ✓ Google® Contact
- ✓ Google Calendar™

Find what you need faster with Universal Search

Quickly find that key document or piece of info needed deep in your contacts, groups, companies, opportunities, notes, history, and attachments. Further filter your search criteria and even double-click on an item to be taken directly to that particular field or attachment.

Virtually anywhere access with Sage ACT! Connect²

Access your Sage ACT! contacts and calendar details stored in the Cloud from popular smartphones, tablets, like the iPad®, and your laptop via supported web browsers³.

¹ Sage ACT! Scratchpad is not supported in a Citrix® environment.

² Requires additional subscription.

³ Review Sage ACT! Connect system requirements at www.act.com/connectsystreq to confirm supported web browsers, tablets, and mobile phones.

⁴ 400 leads per month are included in the Reference + Leads service level. Additional leads are sold in blocks of 400.

*Sage ACT! Certified Consultants are third-party vendors. Sage and its affiliates are in no way liable or responsible for claims made related to the services provided by third-party vendors.

Important Notes:

For Sage ACT!: You must purchase one license of Sage ACT! per user. Scalability varies based on hardware, size, and usage of your database. Review Sage ACT! system requirements at www.act.com/2012systreq. Visit www.act.com/solutions or contact your add-on product provider to determine compatibility for your add-on products.

For Sage Connected Services for ACT!: The mobile component of Sage ACT! Connect requires an active data plan. You are responsible for all data related charges to your mobile phone. To facilitate mobile setup, Sage ACT! Connect sends a text message to your mobile phone. Based on your wireless plan, you may receive an extra charge from your carrier for this text message. Sage E-marketing for ACT! is powered by Swiftpage™.

What's New Since Your Version

A number of new features, enhancements to existing functionality, and powerful, subscription-based services have been introduced since your version. Check out what you could be doing with Sage ACT! to drive results for your business when you upgrade to Sage ACT! 2012 and subscribe to sales and marketing services.
